059/24 CORRESPONDENCE RECEIVED BY THE CLERK –

RESOLVED to note all correspondence had been circulated to members and the following required a formal decision.

059/24.1 HADRIANS WALL PATH AT BLEATARN – Email from resident. There are some issues with the trail, there is a lack of maintenance there are kissing gates tied with string, we reported it broken over a year ago, many of the posts are rotten, nothing has been replaced. Visitors tell us that parts of the path are dirty with litter and rubbish, does nobody from HWH monitor it? Also there is an increasing problem with people relieving themselves in the fields (toilet paper and the rest). This is totally unacceptable. In the early days of the trail a portaloos was sited at Bleatarn, it was well received by the people it was paid for by Carlisle City Council. If tourism brings in so much revenue then why are the authorities not providing this in 2024?

RESOLVED that issues with public footpaths were the responsibility of the unitary authority, and that the resident be directed to Cumberland Council.

ACTION: Clerk

059/24.2 COMMONWEALTH WAR GRAVES SIGN – Email from volunteer - I'm a volunteer with The Commonwealth War Graves Commission and I tend the 2 RAF graves in St Kentigern Church Cemetery. When I was in the cemetery the other week I noticed there wasn't a green Commonwealth War Graves Commission sign at the entrance to the cemetery. I can ask for one but will need it to be requested in the minutes of the Parish Council meeting. Is this ok?

RESOLVED to note that members of the parish council had no objection to a sign, but that the matter should be referred to the parochial church council for formal agreement.

IRTHINGTON PARISH COUNCIL

Co-option Procedure

1 INTRODUCTION

The co-option of a Parish Councillor occurs when a casual vacancy has arisen on the Council and no poll (by- election) has been called.

2 PROCEDURE

To ensure that a fair and transparent process is undertaken, the following procedure will be followed by Irthington Parish Council.

1. On receipt of written confirmation from Cumberland Council that the casual vacancy can be filled by means of co-option, the Parish Clerk will:
 - a. advertise the vacancy for 4 weeks on the Council notice boards and website;
 - b. advertise the vacancy in a local newspaper;
 - c. advise the Council that the co-option procedure has been instigated by sending a memorandum to all Councillors.
2. Applicants for co-option will be asked to:
 - a. submit a written statement about themselves and complete a short application form (obtainable from the Clerk)
 - b. complete the eligibility form (obtainable from the Clerk).
3. Copies of the applicant's written statement and application form will be circulated to all Councillors by the Clerk at least seven days prior to the meeting of the Council at which the co-option will be considered. All such documents will be treated by the Clerk and all Councillors as strictly private and confidential.
4. The written statement and application documents from successful candidates will be retained until they cease to be a Co- opted Member of the Council. The written statement and application documents from unsuccessful candidates will be destroyed when all successful candidates have signed their Declaration of Acceptance of Office.
5. The application(s) will be considered at the next available Parish Council meeting. The press and public will be asked to leave the Council meeting whilst the application(s) is(are) considered. The Council may choose whom they like but the person must satisfy the eligibility requirements to be a candidate. After due consideration the chairman of the meeting will reconvene the meeting. It will be reopened to the public and press and voting will then take place.
6. If the number of candidates is less than or equal to the number of vacancies to be filled, a single composite motion can be used to fill more than one vacancy. If the number of candidates exceeds the number of vacancies, then a vote (or series of votes) must be conducted in accordance with paragraph 7.
7. Voting will be in accordance with the statutory requirements in that a successful candidate must have received an absolute majority vote of those present and voting. If there are more than two candidates for one vacancy and no one of them at the first count receives a majority over the aggregate votes given to the rest, the candidate with the least number of votes is eliminated from the process. The remainder must be put to the vote again and this process must, if

necessary, be repeated until an absolute majority is obtained. If two candidates poll the same number of votes, a separate vote to eliminate one of them will be held. Voting will continue with the lowest polling candidate being excluded until the number of candidates matches the number of vacancies. Councillors shall vote by a signed ballot. If any member so requires, the Clerk shall record the names of members who voted so as to show whether they voted for, against, or abstained. In the case of an equality of votes, the chairman of the meeting has a second or casting vote.

8. For each vacancy, each Councillor has one vote i.e. two vacancies will enable two votes.
9. After the vote has been conducted, this business is concluded when the chairman of the meeting declares that the successful candidate(s) is (are) duly elected. The successful candidate(s) is (are) then declared co-opted to the Council and summoned to attend the next Council meeting.
10. The Clerk will advise the Monitoring Officer of Cumberland Council of the names of anyone co-opted to the Council.
11. The Parish Clerk is responsible for providing each new Councillor with a new Councillor's pack
12. It is the responsibility of any new member to read and to have understood the Council's Code of Conduct, Standing Orders and Financial Regulations prior to attendance at their first meeting.
13. Before the successful candidate can participate in Council business they must sign the Declaration of Acceptance of Office and deliver it to the Clerk.
14. It is recommended that all councillors undertake training. Suggested training is (but not limited to): effective councillor & code of conduct. This enables the new councillor to represent the parish effectively.

IRTHINGTON PARISH COUNCIL RESERVES POLICY

Introduction

Irthington Parish Council is required to maintain adequate financial reserves to meet the needs of its organisation and to ensure financial security. The purpose of this policy is to set out how the Council will determine and review the level of reserves.

The Joint Panel on Accountability & Governance Practitioners Guide (JPAG – March 2024 edition) advises: ‘As with any financial entity, it is essential that authorities have sufficient reserves (general and earmarked) to finance both its day to day operations and future plans’.

Sections 32 and 43 of the Local Government Finance Act 1992 require local authorities to have regard to the level of reserves needed for meeting estimated future expenditure when calculating the budget requirement. However, there is no specified minimum level of reserves that an authority should hold, and it is the responsibility of the Responsible Financial Officer to advise the Council about the level of reserves and to ensure that there are procedures for their establishment and use.

Types of Reserves

These may be categorised as General or Earmarked.

General Reserves

These are funds which do not have any restrictions on their use. They cushion the impact of uneven cash flows, offset budget requirements if necessary or can be held in case of unexpected events or emergencies. Setting the level of the general reserves is agreed as part of the annual budget process.

JPAG – March 2024 edition advises:

The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority’s general reserve is that this should be maintained at between three and twelve months of net revenue expenditure (NRE). The smaller the authority, the closer the figure should be to 12 months NRE, the larger the authority the nearer to 3 months. In practice, an authority with an NRE in excess of £200,000 should plan on 3 months equivalent General Reserve’.

Earmarked Reserves

These must be held for genuine and intended purposes of expenditure which the council considers likely to be required in the future and greater than that which can be funded from a single year’s budget. Their level should be subject to annual review and justification.

Earmarked reserves can be held for several reasons and shall only be used for the purpose for which they were created:

- Carry forward of underspend – if expenditure is committed to projects but cannot/is not spent in the budget year. Reserves are used as a mechanism to

carry forward these resources.

- Other earmarked reserves may be set up from time to time to meet known or predicted liabilities.
- Renewals – to enable the planning and financing of an effective programme of equipment replacement and property maintenance/refurbishment. The funds required are built up incrementally over several years when taking into account asset conditions and expected life. They are a mechanism to smooth expenditure without the need to vary budgets.
- Developers' contributions (Sec 106 & CIL) – proceeds from developers which can only be used for specific purposes.

Management and Control of Reserves

Any decision to set up a reserve must be by resolution of the Council. Expenditure from reserves can only be authorised by the Council.

The level of general reserves shall be reviewed on annual basis during the annual budgeting process and agreed by the parish council. The minimum level of general reserves shall be recommended to the council by the Responsible Financial Officer. This will form part of the recommendations for the annual budget and subsequent precept demand by the parish council

The current level of general reserves to be held by the council is set to between 6 and 12 months of NRE.

Current level of financial reserves

Earmarked Reserves
